2330. DR. SHRIKANT RAMCHANDRA JICHKAR : Will the Minister of COAL be pleased to state :

(a) what are the names and number of projects pending before the World Bank for its assistance;

(b) what are the total projects and cost of each project;

(c) what is the estimated production likely to be achieved from these projects; and

(d) what efforts are being made by Government to get early World Bank clearance ?

THE MINISTER OF STATE OF THE MINISTRY OF COAL (SHRI AJIT KUMAR PANJA) : (a) to (d) A proposal comprising of 17 mining projects, two non-mining projects and replacement of Heavy Earth Moving Machinery in 22 existing mines projects has been posed by Coal India Ltd. for seeking assistance from the World Bank. The estimated assistance sought by Coal India Ltd. is approximately Rs. 2527 crores. The estimated production for the 17 mining projects in the above mentioned package is 38.7 million tonnes per annum after the projects are fully implemented. The other portion of the proposal aims at replacement of Heavy Earth Moving Machinery in the existing mines projects whereby the level of production being achieved at present can be maintained.

TARGETS FOR EXPORTS

2331. SHRI MURLIDHAR CHANDRAKANT BHANDARE : Will the Minister of COMMERCE be pleased to state :

(a) the targets set for exports during the last three years;

(b) how far these targets have been achieved;

(c) the reasons for slow growth in exports; and

(d) streategy adopted during the Eighth Plan to accelerate growth of exports ?

THE MINISTER OF COMMERCE (SHRI PRANAB MUKHERJEE) : (a) and (b) Export targets and achievements for the last three years are given below :

Year	Target		Achievemen	
	Rs. Crores	US $ Million	Rs.Crore	US $ Million
1990-91	36000	20064	32553	18143
1991-92	*	*	44042	17865
1992-93	57850	20132	53688	18537
1993-94	70842	22138	38045**	12131

*No targets were set for the year 1991-92 due to uncertain in the global trading environment. Collapse of the erstwhile Soviet Union, and the timelag required for the reforms initiated since July '91 to have a real impact on exports.

**Achievement is for April-October, 1993, the latest period for which trade data are available during 1993-94.

(c) Actual export growth during 1992-93 was lower than the target. Among the reasons for slow growth in exports in 1992-93 mention may be made of rapid fall in trade with CIS and East European countries recession in industrially advanced countries and sluggish growth in World trade. However, exports performance in the current year is satisfactory. The export growth provisionally estimated at 20.19 per cent during April-October, 1993 compared to April-October, 1992 latest period for which trade data are available, is about same as the target set for the year.

(d) In order to increase exports in the Eighth Plan period the Government have taken major steps for liberalisation of trade which include provision of export linked imports, reduction of import licensing, strengthening export incentives and removal of procedural irritants through simplification of Policy and procedures. In 1993-94 Budget, the system of market determined unified excahnge rate has been introduced and customs and excise duty on imports mary raw materials and capital goods have been reduced. An export culture is sought to be built up in the country incorporating of Government agencies and trade and industry. Emphasis is being placed on improving quality to increase competitiveness and production specifically for export.
